This retail space sells trend setting vintage and reworked masterpieces of Men's and Women's clothing, accessories, shoes and basically one of a kind pieces of art. We have artists and directors here, showcasing their art and sharing the inspirations behind their work. As well as an entertainment studio, featuring a dj booth with dance floor, cocktail bar (open from all store hours) and a lounge atmosphere! We also have a personal stylist in-store, so Grab a drink we gotchu!

Open mic night, We support local artists Every week day from 5-9 p.m. Slimez welcomes anyone to the mic in performing poetry, music, comedy, or anything else they would like to share to the world. With a powerful house like this the ambiance is welcome to all creators and customers with a good attitude.

Our customers identify as many different kinds. At Slimez we hate to put people in a box, making them feel they have a limit to who they can be. We push everyone to step out of that box and create something new, yes NEW. This creative space just attracts good energy the moment you walk into the store. From styling the coolest outfit, to meeting up with your creative friends for drinks! Shopping shouldn't be so exclusive and boring as it is. And why gatekeep! It is important for customers to have an experience when they associate a brand with its image. Imagine getting a chance to meet the designer yourself! Why not share, collaborate, network in this environment. We encourage the voice of all people, generations, and cultures to share their perspectives on everything in life that offers. The idea of sharing our voice in growth brings new understanding and groundbreaking conversations in fashion revolutionary. Vintage and reworked pieces nis not only environmentally friendly, but to be different and uniquely standing out compared to what the other chain retail stores have to offer. Reworked vintage clothing is trending. Let's show up!

Often at Slimez Creations, designers and artists will approach or contact us directly wanting to work with us in selling their creations. Or you can sign up here! We do take 22% love. This also goes for selling your artwork too!

Additionally to setting up shop instore, brands are shoppable online as well. In collaboration with our UX designers, we will master your brand's online presence for a unique shopping experience that your customers are definitely going to enjoy.
